24 May 2024

Dear Shareholder,

Notice of 2024 Annual General Meeting

Introduction and Background

I am pleased to notify you of the Company's 2024 Annual General Meeting ("**AGM**"). The AGM gives the Directors the opportunity to present the Company's performance and strategy to Shareholders and to listen and respond to your questions.

This will be my first AGM as Chairman, having moved from my Chief Executive role in June 2023 and I am happy to report another year of significant strategic and operational performance where we have once again achieved record sales. This is despite ongoing pressure on consumer spend in a sustained inflationary environment. Digitally, the launch of MYAD, our loyalty scheme, far exceeded our expectations. We have also made considerable effort to introduce and leverage retail AI into several areas. Our strong purpose of 'Getting Everyone Fishing' remains our focus, as we believe everyone should have the opportunity to get out by the waterside and experience the proven wellbeing benefits of angling.

Staying true to our rigorous investment criteria, we progressed our UK store roll-out with the opening of two new stores in the year, taking our total number of stores to 47.

The Company's audited financial statements for the period from 1 February 2023 to 31 January 2024 and annual report are available on the Company's website www.anglingdirect.co.uk under the investors tab, reports and accounts (this tab is in the INVESTOR RELATIONS section of the website). The Company announced its full year results for the period on 14 May 2024. The Board is pleased with the Company's continued growth and progress, despite the challenges posed by the aforementioned factors.

Corporate Governance

The Directors continue to ensure that the Company observes the requirements of the Corporate Governance Code issued by the Quoted Companies Alliance, having regard to the Company's size, stage of development and resources.

The following notes explain the items of business to be conducted at the AGM.

Resolution 1: Powers of the Company to allot shares and grant rights to subscribe for, or convert any security into, shares. The Directors seek authority for the purposes of section 551 of the Companies Act to exercise all the powers of the Company to allot shares and grant rights to subscribe for, or convert any security into, shares up to an aggregate nominal amount of £257,557.68, which is equivalent to one third of the total issued Ordinary Share capital of the Company as at the date of this document. This authority shall be in substitution for and shall replace any other existing authority to the extent not utilised at the date this resolution is passed.

If the resolution is passed, the authority shall expire on the earlier of the date of the Company's next annual general meeting and 15 months after the passing of the resolution, save that the Company may before such expiry make offers or agreements which would or might require shares to be allotted or rights to be granted after such expiry and the Directors may allot shares, or grant rights to subscribe for or convert any security into shares, in pursuance of any such offer or agreement as if the authority conferred thereby had not expired.

The Directors do not have at present any intention of exercising the authority to be given by Resolution 1 but shall consider issuing such securities if they believe it would be appropriate to do so in respect of commercial opportunities which arise and which they consider are consistent with the Company's strategic objectives.

Resolution 2: Disapplication of pre-emption rights.

The purpose of Resolution 2, which is subject to the passing of Resolution 1, is to authorise the Directors to allot new shares pursuant to the authority given by Resolution 1 for cash in connection with a pre-emptive offer with such modifications as the Directors may determine, or otherwise up to a nominal value of £77,267.30 without the shares first being offered to existing Shareholders in proportion to their existing holdings. The amount of the proposed authority in respect of a non-pre-emptive offer is equivalent to approximately (but not more than) 10 per cent. of the total issued Ordinary Share capital as at the date of this document.

The Board considers the authority in Resolution 2 to be appropriate in order to allow the Company the flexibility to undertake equity issues without the need to comply with the strict requirements of the statutory pre-emption provisions. If the resolution is passed, the authority shall expire on the earlier of the date of the Company's next annual general meeting and 15 months after the passing of the resolution.

Resolution 3: Additional Disapplication of pre-emption rights.

The purpose of Resolution 3, which is subject to the passing of Resolution 1, is (in addition to the authority conferred by Resolution 2) to authorise the Directors pursuant to section 570 of the Companies Act to allot equity securities (within the meaning of section 560 of the Companies Act) wholly for cash pursuant to the authority conferred upon them by Resolution 1 without the shares first being offered to existing Shareholders in proportion to their existing holdings, provided that this power shall be limited to the allotment of equity securities:

- 3.1 up to a nominal value of £77,267.30, being approximately 10 per cent of the total issued Ordinary Share capital as at the date of this document; and
- 3.2 used only for the purposes of financing (or refinancing, if the authority is to be used within six months of the original transaction) a transaction which the board of Directors of the Company determines to be an acquisition or other capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-emption Rights most recently published by the Pre-Emption Group.

If the resolution is passed, the authority shall expire on the earlier of the date of the Company's next annual general meeting and 15 months after the passing of the resolution, save that the Company may, before the expiry of such power, make offers or agreements which would or might require equity securities to be allotted after such expiry and the Directors may allot equity securities under any such offer or agreement as if the power had not expired.

Resolutions 2 and 3 are consistent with the Pre-Emption Group 2022 Statement of Principles for the disapplication of pre-emption rights (the "**2022 Statement of Principles**"). The 2022 Statement of Principles allow companies to seek authority for an issue of shares for cash otherwise than in connection with a pre-emptive offer up to the value of 10% of a company's issued share capital, and up to a further 10% of a company's issued share capital for use in connection with an acquisition or specified capital investment announced contemporaneously with the issue, or that has taken place in the preceding 12-month period.

Resolution 4: Market purchases of own shares

The purpose of Resolution 4 is to grant the Company authority, pursuant to section 701 of the Companies Act 2006, to make market purchases (as defined in section 693(4) of the Companies Act 2006) of its own Ordinary Shares and is proposed as a special resolution. If passed, the resolution gives authority for the Company to purchase up to 7,726,730 Ordinary Shares (being approximately 10 per cent of the issued Ordinary Share capital of the Company as at the date of this document). The authority specifies the minimum and maximum prices that may be paid for any Ordinary Shares and shall expire on the earlier of the date of the Company's next annual general meeting and 15 months after the passing of the resolution.

The directors will only exercise the authority to purchase Ordinary Shares where they consider that such purchases will be in the best interests of Shareholders generally.

Any shares purchased in the market under this authority may be either cancelled or held as treasury shares, which may then be cancelled, sold for cash or used to satisfy obligations under the Company's employee share schemes. No dividends are paid on shares while they are in treasury and no voting rights attach to treasury shares.

As at the date of this document, there were options outstanding over 6,376,665 Ordinary Shares in the Company, representing 8.25% of the Company's issued Ordinary Share capital (excluding treasury shares). If the authority granted by this resolution were exercised in full, the options would represent 9.17% of the issued Ordinary Share capital (excluding treasury shares) as at 24th May 2024. The Company does not have any outstanding share warrants.

Resolution 5: To receive the 31 January 2024 report and accounts, as required by the Companies Act.

Shareholders shall have the opportunity to ask the Directors who attend the AGM questions on the Company's reports and financial statements for the period from 1 February 2023 to 31 January 2024.

Resolution 6: To approve the re-appointment of Price Bailey LLP as auditors.

The Company's auditors must offer themselves for reappointment at each annual general meeting at which accounts are presented. The Directors, having made such enquiries as they consider appropriate, are satisfied with the service provided from and the terms of engagement of Price Bailey LLP as the Company's auditors and are pleased to propose their re-election to that role under Resolution 5. Notwithstanding that the Company is not subject to the requirements of the retained UK version of the Audit Regulation and accordingly did not undertake a formal tender for the role of external auditor, the Directors have reviewed (and keep under review) Price Bailey LLP's performance against the initial and subsequent selection and retention criteria. Price Bailey LLP does not undertake significant consultancy services for the Company.

Resolution 7: To authorise the Directors to set the remuneration of the Company's auditors.

This resolution would authorise the Directors to set the remuneration of the auditors.

Resolution 8: To elect Sam Copeman as a Director of the Company as he was appointed following the previous annual general meeting and is therefore required to resign and seek re-election under the Articles.

The biographical details of each of the directors are set out on the Company's website at: <https://www.anglingdirect.co.uk/corporate/about/management-board>.

Recommendation

The Board considers that the passing of all the Resolutions is likely to promote the success of the Company and would be in the best interests of the Company and its Shareholders as a whole. The Directors recommend unanimously that you vote in favour of the Resolutions.

The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by Share Registrars Limited (ID 7RA36) no later than 10.00 a.m. on Tuesday 18 June 2024 (or, if the AGM is adjourned, no later than 48 hours (excluding any part of a day that is not a working day) before the time of any adjourned meeting). After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

C. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & International Limited does not make available special procedures in CREST for any particular messages. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

D. The Company may treat as invalid a CREST proxy instruction in the circumstances set out in regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
